I'm " **Mahmoodi** "with case number:"**2011AS000** "and date of birth

" " " " " " " " " "

I am so worry about my state because:

In last few weeks I have sent some emails to KCC and had some requests, but every time KCC answer me "the information you provided is not match with case".

After that I guess that maybe something is wrong in my information in KCC computer. Therefore I checked first forms" DSP_122 & DS 230 part 1&2" but everything in biographical information was correct.

Finally I guess maybe when I was registering in DV program entrance electronically, I have entered something wrong and this is could be result of **Internet problems** in my country like **low speed Internet** (lower than 128kb/s) , **high rate of disconnection** and **limited time** for DV entrance registration.(I have not any print of registering in DV2011)

And now:

I do apologize and I promise and take oath that, I have registered for DV2011 ONLY one time and I also take oath that I had not had any decision to fraud in DV program and this mistake was inadvertently (not intentionally).

I've already informed KCC by resending a letter and completed forms.

So, I will be grateful of you to view favorably to my case. And if it is possible please change my date of birth based on information of 122&230 forms compatible with my passport and birth certification data that attached to this e-mail

I would be grateful if you acknowledge receipt of this e-mail and Please let me know in your answer if you included new information in my file

Thanks fully

Mahmoodi
