How Do I...Change My Address With USCIS?

U.S. Citizenship and Immigration Services

M-609 (05/05)

If you are a permanent resident who is 14 years of age or older, you are required by law to notify us of your change of address within 10 days after moving to a new address. To notify us of your change of address, you must file a **Form AR-11, Change of Address Form**.

If you have ever submitted a **Form I-864, Affidavit of Support**, to be the financial sponsor of someone who became a permanent resident as a result of that sponsorship, you are also required by law to inform us of any change of address within 30 days after your move by filing a **Form I-865, Sponsor's Notice of Change of Address**. You can download the Form I-865 and instructions from our website.

Even though it is not required by law, if you have filed any other application or petition with us and it is still pending a decision, you may want to keep us informed of any change of address, so you can get any notices or decisions from us. For more information about the best way to notify us of an address change, call customer service at 1-800-375-5283.

If you filed a **Form I-130, Petition for Alien Relative**, to help a relative get permanent resident status and we have approved it, and if you or the person you are sponsoring move, you should follow the instructions on the approval notice concerning who and how to notify USCIS of a change of address.
