

| 2013 HHS Poverty Guidelines |                             |             |             |             |
|-----------------------------|-----------------------------|-------------|-------------|-------------|
| Persons in family/household | Federal Poverty Level (FPL) | 125% of FPL | 200% of FPL | 250% of FPL |
| 1                           | \$11,490                    | \$14,363    | \$22,980    | \$28,725    |
| 2                           | 15,510                      | 19,388      | 31,020      | 38,775      |
| 3                           | 19,530                      | 24,413      | 39,060      | 48,825      |
| 4                           | 23,550                      | 29,438      | 47,100      | 58,875      |
| 5                           | 27,570                      | 34,463      | 55,140      | 68,925      |
| 6                           | 31,590                      | 39,488      | 63,180      | 78,975      |
| 7                           | 35,610                      | 44,513      | 71,220      | 89,025      |
| 8                           | 39,630                      | 49,538      | 79,260      | 99,075      |

For families/households with more than 8 persons, add \$4,020 for each additional person to FPL amount.
